## Steam Cleaners Recalled by Thane International Due to Shock and Burn Hazards

WASHINGTON, D.C. – The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

**Name of product:** H2O Mop Steam Cleaners

**Units:** About 580,000

**Distributor:** Thane International, Inc., of La Quinta, Calif.

**Hazard:** The power cord can unexpectedly wear down and expose the wiring, posing a shock and burn hazard to consumers.

**Incidents/Injuries:** Thane has received 10 reports of incidents involving shock injuries and eight reports of incidents involving burn injuries.

**Description:** The H2O Mop is an electrically-powered appliance for cleaning a variety of floor surfaces that uses microfiber or disposable cloths on a cleaning head through which steam is dispersed. H2O Mops are white with a purple water tank with the "H<sub>2</sub>O" and "M" symbol printed on the top of the cleaning head. The model numbers of affected units are 808.092 and OEM-TV-001. This recall only includes H2O Mops with the following reference numbers printed on the label on the back of the product: 200709198 to 200803148 or H20M1000 to M-H20M1198.

**Sold:** Directly to consumers by Thane through television infomercials; on the Web at [www.thane.com](http://www.thane.com); by QVC, through its televised shopping program; and by retailers nationwide from June 2007 through December 2008 for about \$100.

**Manufactured in:** China

**Remedy:** Consumers should immediately stop using recalled steam cleaners and contact Thane to receive a free repair kit. Thane is sending repair kits to all consumers who purchased recalled units directly from Thane.

**Consumer Contact:** For additional information, contact Thane anytime at (800) 485-0017 or visit the firm's Web site at [www.h2omopservice.com](http://www.h2omopservice.com).
